Open meeting on Amendment to Section 1301 Adult Entertainment Business in the Zoning Ordinance was brought to order. Tula Alexander mentioned that Clerk Pam Scott had received two calls from the public from the time of the notice in the paper to the public hearing being held and that she informed them there are currently no adult entertainment business applications in our township, this is a measure to update and keep the Ordinance current with present times at the recommendation of the township attorney. No one from the public attended this meeting. There were a few spelling errors that were found to the ordinance and the board approved the addenda with corrections made. Tula Alexander will make corrections and forward a copy to Township Supervisor and Clerk. Alexander will also send the final copy to the Roscommon County Planning Commission as required.
