Pledge

Motion to accept minutes from March 12, 2009 meeting made by Bob Irwin, Second by Tula Alexander excepted by all.

Attached to Minutes is a short overview of the past 5 year minutes. This was brought in so that the Planning Commission will not review the 20 year Master Plan. Two of the section that we have to review are, the maps and the zoning adjustments that have been made over the past five years. Another item that we have to review is the zoning for the downtown development walking district.

Tula brought the team up to date on the new fishing pear that they have been working on with the DNR . This will entail the township taking over the public beach and making an open park area for the citizens and guest of St. Helen. This will be a 25 year lease from the DNR for free. A floating fishing dock, public picnic area, boat launch, and public swimming are a few projects that are now being worked on. Bright future for St. Helen.

The removal of inactive Planning Commission members was brought up and discussed. A letter to Steve Hall will be drafted and will be presented to Steve. Steve has not been present since the November 2009 meeting. Steve has been contacted by phone and email and has not called or attended. There was a vote taken Motion by Jim Valleau and Second by Ron Hargrove and passed by board for Steve's Resignation.

Motion to adjourn meeting Jim Valleau Second By Bob Irwin
Meeting dismissed at 7:35 PM

Respectfully
Janet Becker
